INTRODUCING
THE CARIN GERARD
COLLECTION

To celebrate our tenth anniversary this month, I have commissioned the celebrated fine artist, Carin Gerard, to design a bespoke butterfly print for Winser London.

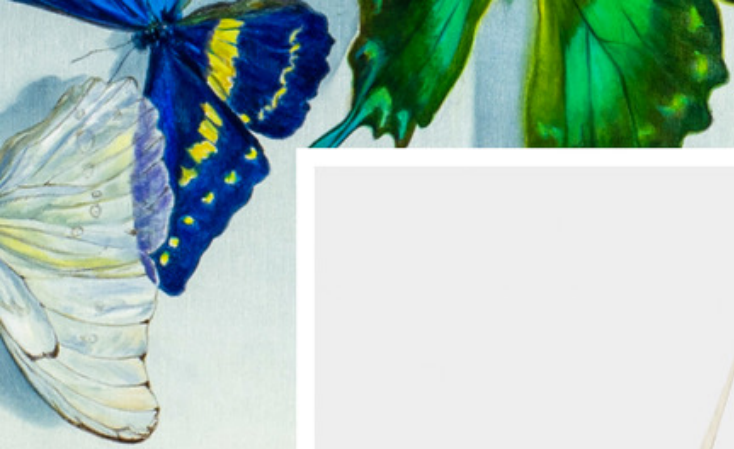

Carin has created such a beautiful print for our celebratory capsule collection. Her delightful natural artwork takes our silk pieces to another level.

Enjoy!

Founder & CEO Winser London Ltd

"I have found this collaboration incredibly fulfilling from a creative perspective. How wonderful to be asked to paint a transformative collection of butterflies representing grace and beauty for Winser London's 10th anniversary! I hope everyone enjoys wearing the designs as much as I have enjoyed creating this special piece of art"
